Dear State Green Party or GPUS accredited Caucus

The Credentials Committee is pleased to announce that, based on your electronic submission of the information requested in the Application for Delegate Credentials, we have granted your delegation preliminary credentials for the 2008 Presidential Nominating Convention of the Green Party of the United States, contingent upon receiving two hard copies of the Application, to be mailed to the Credentials Committee.

Preliminary Credentialling means that your delegates will receive preliminary delegate credentials at the Convention as defined under Section 4-6 of Article IV of the Convention Rules:
