2) Please answer question #2 below yes or no

a. Is your state party an accredited member state Green Party of the Green Party of the United States (GPUS)?

\*\* Yes

-----  
3) Please provide copies of all portions of your state's election law which are relevant to the selection of delegates to a national convention, whether by primary, caucus, or petitions for national candidates.

\*\* There are none that apply to the Green Party (because GPNJ is not recognized by the State of NJ as an official political party)

-----

4) Please provide the policy of your state party regarding support for the Presidential Slate nominated at the Presidential Nominating Convention, specifically:

a. Support of the Presidential Slate nominated by the Presidential Nominating Convention through the provision of its presidential ballot line where it exists; or, through the qualification of such nominated candidates as write-in candidates, if such is possible under the election laws of their state; and/or,

b. Support of the Presidential Slate nominated by the Presidential Nominating Convention by its Presidential Nominating Convention delegates and/or its Presidential electors; and/or,

c. Any prohibition to the opposition of the Presidential Slate nominated by the Presidential Nominating Convention by its Presidential Nominating Convention delegates and/or its Presidential electors and/or Presidential Nominating Convention delegates; and/or,

d. Any other policy of the state party regarding its post-convention relationship to the Presidential Slate nominated by the Presidential Nominating Convention;

e. If there is no current policy on these subjects, the application shall state that the state Green Party has not adopted a policy on these subjects.

\*\* GPNJ has not adopted a formalized (in writing) policy on these

subjects, but we have a history of and commitment to putting the national nominees on the New Jersey general election ballot.

-----

5) Please include a copy of the approved minutes of your state convention or other body authorized to name the delegation, which documents the delegates' selection. If approved minutes are not available, the Application shall include other documentation of the delegates' selection.

\*\* At our convention in March we determined the number of delegates that would go to Baltimore committed to Jill Stein (4) and to Roseanne Barr (1). After the convention, in an online process during April, we determined who, specifically, those delegates would be.

-----

6) Please submit a letter bearing the signature of your state party officers certifying the authenticity of the minutes [and other relevant documents].

By signing this application, your state or caucus officers certify that the delegates included in the minutes [or other relevant documents] are the duly chosen delegates to the convention as provided for in the rules of the caucus or state Green Party (or grouping of Greens where there is no state party.)

7) What paperwork do you need to submit to your Secretary of State (or other Government Agency) to ensure that the presidential and vice-presidential nominees will be on your ballot line?

\*\* After our petitions are certified (Aug. 3) we will submit a form to the NJ Division of Elections that enables the names of the official nominees chosen in Baltimore to be substituted for the names on our circulated petitions.
