

DELEGATE PLANS FOR WASHINGTON STATE

According to 2.7 of the Convention Rules:

<http://www.gp.org/documents/convention-rules/index.shtml#02-07>

By March 15 each State Party and Caucus shall submit to the Credentials Committee a "Delegate Plan" for selecting and instructing its Delegation to the PNC. Your State Party or Caucus should either already have a Delegate Plan in place, or be working on preparing one.

2-7.2 Content of Delegate Plans

2-7.2(a) Delegate Plans shall include a description of the methods used to learn the preferences of state Green Party members for the nomination for President at the Presidential Nominating Convention.

Mail ballots went out to members on Saturday after our spring convention on 5 May. The ballots must be postmarked by 26 May to be valid. We will tally the votes to determine the preferences of state Green Party members for the nomination for President at the Presidential Nominating Convention.

2-7.2(b) States are urged to provide in their Delegate Plans for a delegate selection process that offers representation proportional to the support each candidate enjoys within the state Green Party represented by the Delegation (or similarly where there is no state Green Party, as defined in Section 2-1) and that allows the Delegation to reflect the diversity within the state Green Party and the state's population.

WA Delegate to the PNC will vote proportionally to the votes of our members on the first round of voting.

2-7.2(c) Delegate Plans shall provide explanation of the process to be employed to apportion delegates among the candidates seeking the nomination of the party, and for those that favor 'none of the above', 'no nominee' or other such preference.

WA will apportion delegates among the candidates seeking the nomination of the party and for those that favor none of the above, no nominee or such preference by proportioning the first round votes of our four delegates to reflect the votes cast by our members.

2-7.2(d) Delegate Plans may provide for alternates for delegates, but shall not name, nor shall the Credentials Committee credential, more alternates than the number of delegates to which the state is

entitled. Where alternates are provided for, Delegate Plans shall specify the manner in which they take the place of delegates and the instructions they have in doing so.

WA has four people running for our four delegate position, as well as people running for two alternate positions. Those names will also be known from the ballots that are to be postmarked no later than 26 May.
