June 19, 2012

Credential Committee
Green Party of the United States
Washington, DC.

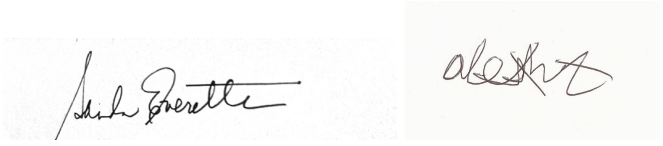
Dear Credentials Committee,

This letter is to provide documentation for the process by which the GPCA's delegates to the GPUS 2012 presidential nomination convention were selected.

The procedure for which delegates are selected (http://www.cagreens.org/ga/2011-12/presidential-convention-delegates) was approved by the GPCA's General Assembly in December 2011 (http://www.cagreens.org/ga/2011-12/decisions), and is recorded in the GPCA Rules and Procedures ARTICLE II Policies and Procedures for Selection and Conduct of GPCA Delegates to the GPUS Presidential Nominating Convention . This procedure establishes a Delegate Selection Committee to gather the delegate information and to submit it after the CA Presidential Primary to the GPUS Credentials Committee.

The January 2nd, 2012 meeting of the GPCA Coordinating Committee appointed Coordinating Committee Co-chair, Sanda Everette, to the Delegate Selection Committee (http://www.cagreens.org/committees/coordinating/minutes/2012-01-02) and delegated responsibility to her to recruit the rest of the committee to do tits work and submit the GPCA's application to the GPUS Credentials Committee

Sincerely,



Sanda Everette Alex Shantz
