## GREEN NATIONAL CONVENTION

SUSTAINER PROGRAM  
THE GREEN PARTY OF THE UNITED STATES SUSTAINER PROGRAM

### SUSTAINER PROGRAM

The Green Party of the United States needs your support to increase the momentum of our crucial work. Please consider joining our Green Party Sustainer Program by making a monthly donation. A reliable source of monthly income gives us the latitude to focus beyond day-to-day survival.

There are two ways to become a sustainer; you can have your donation deducted automatically from your credit card, or you can send us a monthly check (we'll send reminders!). Either way, you'll be supporting the day-to-day work of "Growing the Green Party." Furthermore, you can request that we share 1/2 of your donation with your state party. This is a great way to support national and local Greens. All sustainers will receive a subscription to Green Pages, and the Green Party Membership Bulletin. Your support is valued and appreciated.
